## Choose with our assistance:

**PROGRAM 1 hour** You will enjoy a 20 km long ride through the beautiful protected landscape of the Velebit Nature Park of which 70% is macadam and 30% asphalt.

**PROGRAM 2 hours** A ride through a beautiful landscape where you will get to know the charms of the longest Croatian mountain Velebit. With occasional stops for a break and photography, you will have time to enjoy the view “where the mountain touches the sea”. The ride consists of 75% macadam and 25% asphalt, and is 45km long.

**PROGRAM 4 hours** Our most sought after trip includes a ride to the Velebit Nature Park with our assistance. The ride starts along the Adriatic Sea. Exciting macadam and forest roads reach 1100m above sea level. We continue along the Master Road, the most beautiful mountain road in the Republic of Croatia and drive along the canyon of the river Zrmanja with occasional stops for a break and photography. Staying in nature, a view of the Zadar hinterland and archipelago, the beautiful landscapes of the Nature Park throughout the year and the stunning purity of the river Zrmanja will remain in your memory for a long time. Four hours, 75km, 90% macadam, 10% asphalt is the solution for complete enjoyment.

**Discounts for groups of more than 5 people.**
